

Annual Catholic Appeal 2017

Parish goals are based on 20% of the previous year's regular income. There are two ACA campaigns this year as we transition to one in the fall of 2018. The 2017 ACA goal for St John Vianney was **\$76,582**, and for St Paschal was **\$16,772**. 40 % of Parishioners from both Parishes made pledges. SJV is approximately **\$9000** short and St. Paschal is **\$3,662** short. **Any Parish that did not reach its goal by June 30, 2017 will have a monthly mandatory assessment for the shortfall beginning July, 2017. If you did not make a pledge please consider doing so. Thanks to those who have pledged, thank you for your generosity.**

St John Vianney Projects

In January we began the Raise the Roof Campaign with a Goal of \$100,000. We have been finalizing bids and hoping to finish the roof before winter. It looks like the cost will be substantially more than our goal (**\$143,000**). Many have been donating monthly through the Building Envelope. We need you to consider paying off your pledges as well as increasing your donations as much as possible.

St. Paschal Projects.

St Paschal is recuperating from its 100th Anniversary and the lease of the School Building to West Valley School District for an early learning center.

There are financial report summaries for the 2016/17 budgets for both parishes in the foyer.

Thanks for your continued gifts of time, talent, and treasure for the good of both St. John Vianney and St. Paschal.
